Board Named For Hospital District Here

The Board of Supervisors of Alameda County, acting on the suggestion of Supervisor Chester Stanley, this week announced the appointment of the directors of the newly-created Washington Township Hospital District.

Named by the supervisors to head the district were: A. E. Alameda, Irvington; Allan E. Walton, Centerville; Lester S. Whitaker, Niles; Manuel F. Silva, Alvarado; and Fred Melhase, Newark.

The first meeting of the new directors was held at Washington Union High School Wednesday evening, at which time Whitaker was elected chairman, Silva, secretary, and Walton, treasurer.

The directors voted to hold their regular meetings the first Wednesday of each month at 8 p.m. at the high school with the meetings to be open to the public.

Lots were drawn by the five directors to determine which two would accept the short terms and come up for election at the November general election this year. The two directors whose terms will terminate this year are Alameda and Silva. The other three members will not come up for election until the general election in November of 1950. Upon election each member will serve a term of four years.

A resolution was passed by the board requesting the Washington Township Hospital Committee to act in the capacity of an advisory board to the directors.

ALVARADO C. OF C. BUYS DECORATIONS

One of the finest, most spectacular celebrations ever presented in Washington Township was staged at Alvarado on July 4 with the occasion marking both the independence day of the United States and the Philippines.

Greatly adding to the festival were the attractive decorations which were placed throughout the town. Bill Martinez, president of the Chamber of Commerce, credited the following committees with making possible the decorations: F. P. George, D. Dias, Charles Baird, Joe Perez and Manuel Silva, solicitations; D. Dias, Charles Baird, Frank George, Joe Sanchez, Mike Salido, Bill Martinez, Joaquin Naharro and Segundo Diaz, decorations committee. The decorations are of permanent material and will be used for all major celebrations sponsored by the Chamber of Commerce, Martinez said. He revealed that a total of \$458.50 was donated by the 46 merchants of the community.

INFANT DIES IN HOME INCUBATOR

Death of an 18-day-old Niles baby on Monday was attributed to overheating in a home-made incubator.

The infant, Michel Maddon, son of Mr. and Mrs. Clyde Maddon, died about midnight in a box contrivance in the bedroom of the Maddon home at 585 Old Niles Canyon Road.

Maddon told authorities that the baby, which was born one month premature on June 17, had been brought home from the hospital less than 12 hours before it was found dead. He said that he had prepared the incubator according to hospital instructions, using two 25-watt electric globes for heat. When the baby appeared cold he replaced the globes with a 50-watt globe near its head and a 40-watt globe at its feet. The Maddons previously lost another prematurely born son, which died in a hospital after living but nine days.

Funeral services were held Tuesday from the parlors of the Berge Mortuary Company in Niles. Interment was at I.O.O.F. Cemetery, Irvington.

OFFICERS PROBE ALVARADO DEATH

The Alameda county sheriff's office is investigating the death of Efrén Placencia, 25, Alvarado laborer, whose body was found in a trailer-house behind a bar at 1051 Watkins street, Alvarado, about 8:30 p.m. July 4.

Authorities attributed death to a stab wound in the chest and expressed belief that a nearby 14-inch knife was the instrument which inflicted the wound.

Mrs. Emma Kelly, 48, his common-law wife, told officers that Placencia stabbed himself in a suicide attempt. She said she took out the knife and cleansed the blade. She was taken to Hayward and held for investigation, but was released Wednesday.

Detective Richard Condon of the Hayward sheriff's office is continuing the investigation.

Funeral services for Placencia will be held at 9:30 a.m. today from the parlors of the Berge Mortuary Company, Niles. Interment will be at Santa Clara Catholic Cemetery.

ACCEPT SCHOOL BUILDING BID

The Board of Trustees of Centerville Elementary School met at the school Wednesday evening and opened bids submitted for the construction of additional classrooms.

Seven bids were submitted in all and the board accepted the low bid by Indenco of Oakland for \$70,600, for the construction of a kindergarten room, three classrooms, toilet and storage facilities and a covered walk connecting the rooms to the main building.

The bid has been forwarded to the office of the District Attorney, and construction is expected to start immediately after approval by that office.

At Wednesday evening's meeting Judge Allen G. Norris was re-elected clerk of the board by the other two members, Ernest Sabina and Manuel Oliveira.

The residents of the school district recently voted a bond issue to cover the cost of enlarging the school.

SCOUTER GIVES REPORT ON CAMP

The regular monthly meeting of the Centerville Boy Scout Troop Committee was held June 30 at the Eagle's Nest at which time the committeemen heard a report by Arthur Belshaw on the Diamond-O Camp recently attended by several of the local scouts.

Belshaw told the group that the parents of all the boys who went to the camp were well pleased and also announced that Jack Ferraris was made a member of the Order of the Arrow while at camp.

It was also decided that the paper collected by the Scouts in their recent drive would be bundled for shipment on July 10. Two other matters discussed were the financing of Scout activities for the next year and the appointment of an assistant scoutmaster.

LIONS INSTALLATION

Newly elected officers of the Centerville Lions Club will be installed at the dinner meeting to be held Tuesday evening at the International Kitchen. Installing officer will be Frank Beckman, district Lions governor of San Francisco.

YOUNG EXHIBITORS WILL HAVE OWN DIVISIONS AT FAIR

Future Farmers of America and members of the 4-H Clubs won't have to share the spotlight with older exhibitors at the Sixth Annual Alameda County Fair July 9-17, having been provided with their own separate barn, and \$10,000 in cash premiums.

In addition to this, a full-scale auction, the first such event ever presented at the Alameda County Fair, will be staged at 1 p.m. Tuesday, July 13, by the Future Farmers with the aid of Tex Condon, Los Angeles auctioneer.

Separate classes—and prizes—to match almost any classification afforded exhibit-conscious growers will also be enjoyed by the record number of Future Farmers and 4-H'ers scheduled to exhibit at this year's fair.

At the auction, Future Farmers will offer for sale the cream of their "fat stock," prime hogs, steers and lambs ready for butchering and—ultimately—the table. Leslie Brown of Hayward will serve as superintendent of the Future Farmer division. Lee C. Benson, Alameda County farm adviser, will assist the 4-H Club exhibitors.

Entries of the 4-H Clubs will be judged beginning at 10 a.m. Wednesday, July 14. Future Farmers will exhibit stock from July 9 to 13, then remove their stock to make way for 4-H Club exhibitors. The latter will exhibit from July 14 to 17.

STOCK DIVISIONS FILLED AT FAIR

One of the largest and best livestock exhibits ever staged at a California county fair has been assured for the Alameda County Fair at Pleasanton July 9-17, Dale Carithers, Mission San Jose stockman and chairman of the General Livestock Department, announced this week.

Further entries in the \$10,000 premiums classifications of beef and dairy cattle, sheep and swine, are being refused because of lack of space in the three big new beef, dairy cattle and sheep and swine barns, Carithers said.

Prominent local livestock breeders scheduled to compete for the cash premiums offered include the Sequoia Stock Farm of Niles, with 10 registered Aberdeen-Angus beef cattle entries; Carithers, with two registered Hereford entries; Don Johnson, Pleasanton, and William Bell of Hayward, with Duroc Jersey swine.

FLORICULTURE SHOW HIGHLIGHT OF FAIR

The spirit of early California, depicted in centennial motifs, will highlight the cut and potted flower arrangements sections of the Floriculture exhibits at the Alameda County Fair, July 9-17, according to Mrs. Dora May Scudder of Niles, head of the amateur and non-professional division.

Entries will be judged on three separate occasions, to insure fresh flowers for visitors throughout the duration of the fair. A special division for freak flowers and floricultural oddities has been created. No entry fee will be charged for exhibits and prizes range from \$1 to \$5 for individuals and from \$5 to \$25 for clubs, Mrs. Scudder said.

FREE CHEST X-RAYS AT COUNTY FAIR

Free chest x-rays will be offered to all adults 15 years or over attending the County Fair at Pleasanton, from 11 a.m. to 5 p.m. each day of the fair, July 9 through July 17. The new x-ray truck, operated by the Alameda County Tuberculosis and Health Association with funds from the annual sale of Tuberculosis Christmas Seals, will be parked inside the fair grounds.

This was Mr. Evangeline's first vacation in 25 years. On his return he said, "There's no place like Niles."

NILES MAN BACK FROM OKLAHOMA

Angelo Evangeline, partner in the Peerless Grill, Niles, returned July 4 from a three weeks' vacation, during which he motored to Oklahoma.

This was Mr. Evangeline's first vacation in 25 years. On his return he said, "There's no place like Niles."

DECOTO CHAMBER OF COMMERCE officials are pictured here during drilling operations for a new 250-foot well which will increase the town's water supply. Left to right are: E. F. Glassbrook of the water company; President Kenneth Garcia of the Decoto Chamber of Commerce; Manuel Silva; Chamber Secretary E. R. Joseph; Alfred Andrade; Chamber Vice-President Don Martin; and Manuel Hidalgo.

CANNERIES WILL BEGIN APRICOT PACK NEXT WEEK

The "cot" season is on. Local canneries reported this week that they will get underway in the packing of the local crop of apricots Monday or Tuesday.

The one big question mark, of particular concern to the local growers, however, is the price which will be offered for the local crop. The cannery officials did not disclose the price per ton which they expect to offer, but did add that it would probably be about the same as last year's price, which averaged \$80 per ton throughout Alameda county.

Last year the growers of this district, in protest of the canneries' refusal to pay the requested \$110 per ton, threatened to dry their entire crop, and many of them did dry a high percentage of the year's yield.

The Marlo Company cannery at Decoto will pack solids and halves and will get into operation on either Monday or Tuesday with a crew of between 150 and 200 persons. A plant official said Wednesday that there is an abundance of help available.

The Booth cannery in Centerville, which employs approximately 500 persons, will open Monday and cards sent to last year's workers reveal that the majority of them will return to work this week. Cannery officials said this week that they anticipate little difficulty in acquiring a sufficient crew of workers.

EARL MONTZ HURT AT STEEL MILL

Earl Montz, owner of the Ragged Robin Cafe in Niles, received painful injuries Wednesday afternoon when he was caught in a machine he was repairing at the Pacific States Steel Mill where he is employed.

He was taken to Alameda Hospital where x-rays revealed he suffered no broken bones but was severely bruised from the waist down. Montz had been employed at the steel mill less than a week when the accident occurred. He is expected to return home by the first of next week.

EDUCATORS ELECT NEW PRESIDENT

Miss Genevieve M. McKeever of Hayward was elected president of the Alameda County Board of Education at a meeting of the board this week at the office of County Superintendent of Schools Vaughn D. Seidel. She succeeds E. Dixon Bristow, district superintendent of schools at Niles.

A former teacher in the Oakland schools, Miss McKeever has been a member of the county board for the past twenty-five years.

HOME FROM HOSPITAL

Ed Haynes, who underwent minor surgery in Community Service Hospital, San Jose, last Friday, returned to his home in Irvington Tuesday afternoon and is reportedly recuperating nicely. It will be several weeks, however, before he will be able to be out and around and back at work at his place of business, the Township Cleaners.

NEWARK PREPARES FOR HOLY GHOST FIESTA JULY 10-11

Preparations were completed this week for the staging of the annual Holy Ghost Festival at Newark on Saturday and Sunday.

As has been the custom in previous years, the affair will open Saturday at 9 p.m. with a colorful display of fireworks at the Newark Pavilion grounds. An evening of dancing will complete the day's festivities.

Sunday the parade will leave the grounds at the Pavilion to march to St. Edward's Church for the 10:30 a.m. high mass at which Father Oliveira, missionary from Fatima, Portugal, will preach the sermon in Portuguese. At the conclusion of the mass a barbecue dinner will be served, and John Freitas, who will be in charge of the barbecue, reports that eight cows have been butchered to serve the large crowd anticipated.

Reigning over the fiesta as queen will be Miss Loretta Pierce, with Marilyn June Meneze and Marjorie Reis as her attendants. Eileen Pierce will reign as the Little Queen and will be attended by Marlene Hernandez and Patsy Faria.

The remainder of the day will be spent dancing and with the traditional auction.

Heading the arrangements this year are the S. E. S. officers Joe Faria, president; Frank Rose, vice-president; John Meneze, secretary; Joe Guardanapo, treasurer; Joe Reis, marshal; and Frank Lemmos, John Costa, Joe Rocha, Manuel Machado and Frank Meneze, board of directors.

MRS. SUSIE BROWN DIES AT NILES

Mrs. Susie Collins Brown, 85, succumbed at the Niles Rest Home on Tuesday evening following a lingering illness.

She was a native of Wisconsin but had been a resident of California for the past 25 years, and a resident at the rest home here the past two years. She was the mother of Frank Collins of San Francisco.

Funeral services were held at the Chapel of Memories in Oakland Wednesday under the direction of the Berge Mortuary Company of Niles.

NILES WOMAN'S NIECE SELECTED AS QUEEN

Miss Bonnie Dein, Pittsburg, whose picture appeared in metropolitan papers last week-end as the queen of the Pittsburg Independence Day celebration, is the niece of Mrs. Amelia Heckman, Niles, owner of Amelia's Apparel Shop. The 17-year-old high school senior was selected by a panel of three eastbay newspapermen.

TOWNSHIP HAS ONE HOLIDAY WEEK-END TRAFFIC DEATH

Washington Township's only traffic fatality over the Fourth of July week-end occurred Friday evening when Fred Doering, 55, superintendent of the James Graham Manufacturing Company in Newark, was killed when his car crashed near the Dumbarton Bridge.

Doering, who resided at 2371 Bryant street, Palo Alto, was on his way home from the plant and riding alone in his car when it crashed through a guard rail on the approach to the bridge and overturned in the roadside ditch. He was thrown from the car and it toppled over on him. A passing motorist summoned an ambulance and the injured man was rushed to a Palo Alto hospital where he was pronounced dead on arrival.

Doering arrived here from the east about nine months ago to accept the position with the Graham company. He is survived by his widow, Freida; a daughter, Rose Marie; a son, Fred, all of Palo Alto; and another son, Charles, a Navy man stationed in the Hawaiian Islands.

SCHOOL TRUSTEES RE-ELECT ALAMEDA

At a re-organization meeting of the Board of Trustees of Washington Union High School, held at the school Tuesday evening, A. E. Alameda was re-elected president of the board and S. G. Scott was re-elected to the position as clerk.

Committees named to serve the various departments during the new year were: Finance, A. K. Logan and S. G. Scott; Salaries, A. K. Logan and S. G. Scott; Bus, E. A. Quaresma and Manuel Bernardino; Property, A. E. Alameda and A. K. Logan; Athletics, E. A. Quaresma and A. E. Alameda.

The board members discussed an expansion plan for the school and laid the preliminary work for a long-range building program to cope with the expected increase in enrollment at the school.

NILES MAN WINS PHOTO CONTEST

W. M. James, R.F.D. Box 563, Niles, has been named last week's winner in the 10 weeks' amateur snapshot contest being sponsored by the San Jose Mercury-News.

James' picture is entitled "Reflection" and was entered in the Class C Division of scenes and still life. It is a scenic picture of a large salt pile at one of the refineries near Newark and the reflections in the water make the picture equally distinct when held upside down.

By winning the weekly prize, James received \$3 in cash and comes a step nearer the competition for \$10,000 in prizes which will be awarded in the nationwide competition.

FIND DEBRIS FROM MAY 17 PLANE CRASH

The oxygen mask of Ryland S. Carter, San Jose test pilot who was killed in the crash of his plane near Centerville on May 17, was found this week by Dan Alves, 128 Central avenue, Centerville.

The mask was discovered by Alves when he mowed a field of grain a quarter of a mile from where the body of the pilot fell. The piece of equipment was turned over to the authorities.

CONVENTION DELEGATES

Mrs. F. E. Dias and Mrs. Edward Mara, Niles, will leave this week-end for Stockton where they will attend a four-day convention of the Young Ladies' Institute as delegates from the De Guadalupe, Y.L.I., of Niles.

An unknown form of blight has struck tomato fields of this area the past week, and growers are predicting that according to losses suffered to date, this year's crop will be reduced by as much as 50 per cent.

The blight is a form of root disease and the growers have been unable to find a way of combating the new detriment. Dusting with DDT and sulphur has failed to halt the spread of the killing effect of the blight.

The killing disease spreads throughout a field of healthy plants in a period of a few days, leaving them wilted and dying. Many growers have plowed up the fields after the blight has begun.

The growers have also predicted that the damage to the crops, plus the fact that many tomato growers of former years have turned to beet cultivation, will give one of the lightest tomato harvests here in many years. Despite these facts, however, processors are reported to be offering but \$22 per ton, \$7 less than the \$29 paid last year.

\$525,000 ADDITION TO MASONIC HOME

Workmen of Larson & Larson, San Francisco contractors, this week are completing the footings for the new 40-room addition to the Masonic Home near Decoto, and are expected to begin construction of the walls next week.

The \$525,000 contract calls for the construction of a new building to house the female help at the home. It will be a separate unit but will match the main building in architecture and color.

J. R. Eubanks, superintendent at the home, said this week that the building program is expected to be completed by early spring and when the employees are moved into the new structure it will give the home a total of more than 400 rooms for its members.

Also included in the building program is the finishing of the second floor of the hospital. Eubanks revealed that the additional facilities will accommodate about 24 beds.

COMPLETE CENTERVILLE TEACHING STAFF

The teaching staff of the Centerville Elementary School was completed this week with the hiring of Mrs. Arthur Freeman of Centerville to the faculty for the 1948-49 term. Mrs. Rose Furtado of Centerville was also appointed as an assistant in the school cafeteria.

The members of the board of trustees of the school, Manuel Oliveira, Ernest J. Sabina and Judge Allen G. Norris, also authorized the removal of the old fence surrounding the playground and the tank and house frame to provide for further expansion of the school grounds and additional classrooms.

JR. LEGION CLUB CLOSSES SEASON

The Junior Legion baseball team, sponsored here by Washington Township American Legion Post and Joe Adams, Centerville Ford dealer, ended the 1948 season last Saturday afternoon by going down to a 7-3 defeat before the powerful undefeated Bill Irwin Post team of Oakland.

Gene Bramwell, local hurler, pitched a beautiful first three innings but weakened in the fourth and walked four consecutive batters before he regained control.

Last week's loss gives the local boys a record of .500 for the season with 4 wins and 4 losses.

Lobsters are known to be cannibalistic.

NILES SPORTSMEN PREPARE FOR SHOOT

A meeting of the Niles Sportsmen's Club was held June 30 in the I.O.O.F. Hall, Niles, presided over by President Karl Kaiser.

The main topic of discussion was the Running Deer Shoot to be conducted by the club at the range on the Joe Castro Ranch on Sunday, July 25. Castro told the group that he would donate a suckling pig as a prize for the event.

The club members also voted to enter a float in the parade at the Alameda County Fair at Pleasanton on July 11. The meeting ended with the serving of refreshments and some individual "tall tales" on fishing and hunting.

Say you saw it in The Register.

MISSION CINCHES LEAGUE PENNANT; STEELMEN TOPPLED

A gruelling pitcher's duel between Lawrence Rogers of the Mission Firemen and Vernon Vargas of Kleines ended in a 2 to 1 victory for Rogers last Friday night and cinched the Mission club for the American League pennant in the Washington Township Softball Association.

The two teams entered the fray with one defeat each and the top spot in the league standing was the victor's spoils.

FINE PITCHING

Frank Mayer's Mission team drew first blood by scoring one run in the third inning and went into the seventh still clinging to that small margin. In the seventh frame the Mission men rapped Vargas for a total of four hits which netted them but one run. It was also in the fateful seventh that the Kleinemans got their first hit and went on to add two more bingles to score their lone run.

Both Vargas and Rogers turned in stellar performances on the mound, each giving up but one walk, and holding the opposition to a minimum of hits.

The Mission team has now but to down Vilela's, cellar team, to cop the league pennant.

The biggest upset of the current season was afforded spectators last Tuesday evening when Kraftile, cellar club in the National League, toppled here-to-for undefeated Pacific States Steel to the tune of 4 to 2. The Tilemen unveiled a new pitcher in the form of "Nash" Medrano who had the steelmen completely baffled at the plate, giving up but three hits.

WEEK'S REST

In the finale last Thursday evening Native Sons romped over Central Chevrolet 16 to 6 to retain their third-place position in the league standings.

In the curtain-raiser last Friday evening Wedgewood defeated Fricks in the most lop-sided score of the season, 21 to 5, to give them a sure second-place spot in the National League and one more chance at the top position.

No games were scheduled this week, allowing the players a rest before returning to the field for the final round of league play next week.

Only three more nights of play, Monday, Tuesday and Wednesday, remain in the regular league season and Association President Al Silveira said this week that the play-offs between the top four teams of the leagues will take place immediately following.

IRVINGTON CLUB SPLITS SERIES

The Irvington Merchants baseball team split a two-game series at Clear Lake over the week-end and holiday, winning the opener at Upper Lake on July 4 by a score of 8 to 7, but going down to a 3 to 1 defeat at Lower Lake on July 5.

The Irvingtonites had a great day at the plate on the "Fourth" with every man in the line-up getting at least one hit and Marshall, Faria, Soito and Garcia each getting two hits. The Mayermen had to go extra innings to win, breaking the tie in the tenth frame.

The following day the Irvington club, slightly weakened from the previous day's duel and, as Mayer puts it, "a night away from home," bowed to a much weaker team, 3 to 1.

This Sunday they will journey to Boyes Springs, training camp of the San Francisco Seals, for a 2 p.m. game against the Kenwood Club.

Trout angling has been very good during the past week along the Kern River in the Kern county area. Anglers have taken many limits of large loch levents.

Army for the specific purpose of attending Officer Candidate School, provided the quotas are not filled.

You must be a citizen of the United States, and a man of high moral character, able to meet the necessary physical requirements.

To take advantage of this unusual privilege, you may submit your application to the Commanding General of the Army area in which you live. If you are selected, you will be enlisted in the Army as Staff Sergeant. If you have not had basic training or its equivalent, you will be given this training before entering Officer Candidate School.

If you are a successful candidate, you will be commissioned as Second Lieutenant in the Officers Reserve Corps and placed on active duty for two years, during which time you may compete for a Regular Army Commission. Should you fail to complete the course successfully, you will be released from the Army.

The opportunity to qualify for Officer Candidate School is, and has been, open to men in the Army. But never before during peacetime has such a remarkable opportunity to become a commissioned officer been open to civilian high school graduates. Get all the facts about it today at your U.S. Army and U.S. Air Force Recruiting Station.

PLAN DISPLAY AT L. A. COUNTY FAIR

A million people will view the rich and varied products of Alameda county enshrined in a magnificent feature display at Los Angeles County Fair in Pomona, September 17 through October 3.

This interesting piece of promotion was assured Saturday afternoon when Supervisor George A. Janssen, accompanied by Col.

Armstrong, executive secretary of the board of supervisors, "staked out" the exhibit location in the splendid new palace of agriculture now receiving its finishing touches in the beautiful 350-acre exposition park.

Estimated attendance of a million visitors is based upon the 800,000 who visited the last fair in 1941 and the huge increase in population since that time.

REBEKAH NEWS

A delightful potluck supper was enjoyed by the members of Niles Rebekah Lodge and their families last Friday evening at Odd Fellows Hall in Irvington. There were 86 gathered around the tables in the large dining room of the lodge hall, and all enjoyed the good home cooked food.

Following the supper a short program of entertainment was presented with songs by F. E. Smith, Miss Barbara Smith and Miss Donna Carlsen, all of Redondo Beach and relatives of Mrs. Olive Pugmire. James Neill, member of Niles Rebekah Lodge, sang two selections and also joined the above trio in singing another number. The singers were accompanied by Mrs. Kibby.

Secret pals of the lodge members were then revealed and gifts exchanged. Pals for the new term were chosen. At the last a surprise handkerchief shower was tendered Noble Grand Mrs. Mildred Barber, in honor of her birthday, under the direction of Vice-Grand Mrs. Florence Dewey. The invited guests then withdrew

and the lodge members settled down to a quiet business meeting.

Plans were made for attending the installation of officers of Livermore Rebekah Lodge No. 145 on July 21, at which time Mrs. Anna Bradford, district deputy president of District 53, assisted by her marshal and staff, will install the recently elected officers of the Livermore Lodge.

Centerville Family Sails Tonight

Mr. and Mrs. LeRoy Broun and son, LeRoy Jr., who have been widely entertained in the last couple of weeks prior to their sailing, will leave this evening on the Lurline for Hawaii, to return the thirty-first. Friends from the township and from Oakland and San Francisco will be on hand for the last-minute farewells.

The Brouns were entertained Friday at a pot-luck supper at the home of Mr. and Mrs. Wayne Day, and on Monday at a dinner party at the home of Major and Mrs. Ralph Quinn of San Francisco, and still another dinner party at the home of Mr. and Mrs. A. B. Hill on Tuesday night. The latter turned out to be also a birthday party for Mrs. Broun, whose best birthday gift is—you guessed it!—the trip to Hawaii.

While in the Islands they will stay at the Royal Hawaiian for a while and will then be house guests of former Army friends.

Surprise Party for Voyagers to Hawaii

Mr. and Mrs. LeRoy Broun and son LeRoy Jr., were the honored guests at a surprise pot-luck supper given for them last Friday evening at the home of Mr. and Mrs. Wayne Day, to celebrate their coming trip to Hawaii. They leave today (Friday) on the Lurline.

The centerpiece of the attractively decorated table featured a large boat, to simulate the Lurline, sailing on a sea of blue violas.

Those who were present included Mr. and Mrs. Bernie Joseph, Mrs. Marian Zwissig, Mr. and Mrs. Tony Enos, Mr. and Mrs. B. O. Day, Mr. and Mrs. Harold Garcia, Mr. and Mrs. Edward L. Rose, Phyllis Day and Barbara Ponti.

At Hot Springs

Hawaii Bound

It seems to be in the air—the urge to go to Hawaii. Among the localites to join the influx is Mrs. Harvey Granger who will leave on the President Cleveland on July 17 for three weeks in Hawaii. She will be the house guest of her brother and wife, Mr. and Mrs. Alan Stewart.

She visited friends in New York state, after college closed, spent a few days skiing in New Hampshire, then went down to New Orleans to visit with friends and then back to Brooklyn, Maine. From there she planned out to California to spend the summer with her family here.

New Daughter

A daughter was born to Mr. and Mrs. George Louis Wilkins of Newark on June 28 at Community Service Hospital in San Jose. The little lady has been named Tressi Leona.

Cruising

The Mayock family of Irvington spent a "glorious Fourth" on a cabin cruiser, sailing the waters of San Francisco Bay and up the Sacramento River as far as Stockton. They were three days on the voyage as guests of Dr. and Mrs. Burton Adams of Berkeley, owners of the boat.

No Celebrating

Eleven-year-old Henry Marin Jr. of Niles, unlike lots of other boys of his age, couldn't go out and do a lot of celebrating over the Fourth because of a tonsilectomy that was performed last week-end. He is making a speedy recovery however.

In the High Sierras

South Dakota Visitors in Newark

Mr. and Mrs. Kenneth Foster of Newark are really "doing" California. They are among the fortunate Californians who are able to show off our fair state to out-of-state visitors who have never before been here.

The Fosters (Newark) plan to take the Fosters (Sioux Falls), with another brother and wife, Mr. and Mrs. Robert Foster and daughters, Ann and Lyn (Mountain View) to all of the interesting spots in northern California, with most of the sight-seeing to be done in San Francisco. The Holly Sugar Kitchens help you make

Sugar Plum Jelly

RECIPE

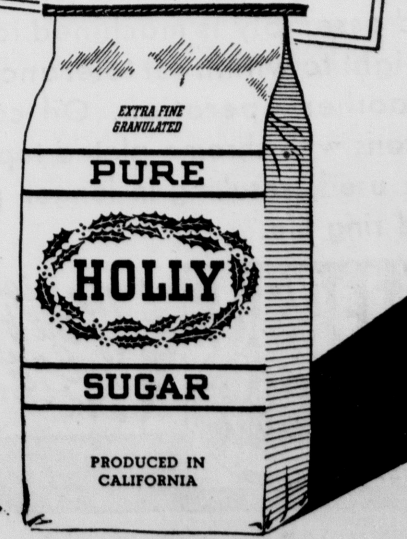

This is jelly a hostess sets out with pride—and it's no trick to make. For best results, experts recommend making jelly in small quantities. (We suggest 4 cups of juice for each batch.) To make juice, simmer washed plums in small amount of water (quantity of plums to be used depends on their size and juiciness). Stir and crush fruit until soft and juicy. Strain through dampened jelly bag or several thicknesses of cheesecloth. To make jelly, bring juice to the boiling point; skim if necessary. Add Holly Sugar, using 1 cup sugar for each cup of juice if plums are tart, or 3/4 cup are quite ripe and sweet. Stir until sugar is completely dissolved. Boil until syrup reaches 220° to 225° F., or to form one drop when turned from spoon. Remove from heat. Skim. Pour into hot sterilized jelly glasses. Cover at once with hot paraffin.

For crystal-clear jellies you'll want Holly Sugar on hand. Because no sugar in the world is purer—or sweeter—or finer in grain. No sugar is whiter than this sugar your neighbors produce!

Many housewives hereabouts buy the sugar named HOLLY. They do so because Holly Sugar is perfect for baking, cooking, canning and at table. Always white—pure. Always sweet, free-running, fine in grain. Holly is made with sugar beets which farmers around here grow. Holly Sugar is processed in the local Holly factory. All this puts money into circulation around here... is good for local business.

And this is important: When this local sugar is sold in these local parts—close to where it's grown and made—freight costs are saved. These are savings Holly shares with beet growers in this area. So the more Holly Sugar that is sold at home, the more local growers receive for their sugar beets.

Extra dollars kept at home help make your own living better. So don't accept just any sugar. Insist on getting HOLLY!

ENGAGEMENT REVEALED

A wonderful surprise party surely proved to be ONE BIG surprise to Miss Alice Reis of the Mission. Her boy friend, Mr. Walter J. Catalano of Cupertino, who was discharged from the Veterans Hospital, with the help of her dad and mother, Mr. and Mrs. John Reis, surprised her by inviting brothers and sisters and their wives and Mr. Catalano's parents and sister to the family home on Sunday evening to have a get-acquainted party. During the evening Walter went to the car to get a necklace which he had been making for Alice while he was confined at the hospital and when she opened it there was the necklace, but most conspicuous of all was a lovely diamond engagement ring. So Dan Cupid has scored

another direct hit and the reason it was such a surprise for her was that she was to get the ring on her birthday which is several months off. Cake and coffee was served to the guests and she received the well wishes of all the families. Yes, and ours too, Alice. Best of luck.

HOUSE GUESTS

Miss Claire Arioto and Miss Joy (I forgot your last name) of Niles are house guests here at the home of Mr. and Mrs. William Fernandez and daughters, Marlene and Nadine, for a couple of weeks.

ON VACATION

Mr. and Mrs. Harley (Bud) Justus and daughter, Cynthia, returned from a few days spent at Lake Tahoe with Bud's sister and family, Mr. and Mrs. Norman Kamp and daughters, Vicki and Teri June (Elaine Justus). They visited at the home of his dad, Mr. and Mrs. Harley Justus, in Sacramento, where Mr. and Mrs. Tom Santos and family, Michael and Diane, of Burlingame (Ruth Justus), were also week-end guests. The latter part of the week will see them in Santa Cruz and thus ends a two weeks' vacation and back to work at Marchant Calculating Machine Company where Bud becomes a journeyman tool and die man. They have their home in El Cerrito.

SAY 'I DO'S'

Ge whiz! Again "that little plump fellow with the bow and arrow" has scored another hit on one of our eligible young bachelors and he went and said the "I do's" over the Fourth of July week-end at Reno, Nevada. We are speaking of Leonard Rogers, brother of Edith, Eddie and Tony Rogers of the Mission and Phyllis Chrisman,

daughter of Mr. Frank Dias of Mission Road, who were united in marriage in that city Saturday evening. Leo is now employed at Pacific States Steel in Niles. Phyllis is a graduate of the Mission Grammar School and Washington Union High School. Leo attended both schools. They will make their home in Irvington.

YOUTHS PLAN SOCIAL

The young folks of the Mission Youth Center met last Thursday evening at the I.D.E.S. Hall for their regular monthly business meeting. The meeting was called to order by co-President Cecilia Schneider. Minutes were approved as read by Evelyn Meyer, secretary. A report was given by Elmo Cunha, treasurer. Dues were collected and fines paid by several who had not attended regular business meetings without proper excuses, and then the business of the evening was turned over to President Richard Meyer, who ap-

How to get power from water five times ...and not consume a drop

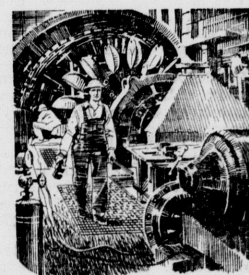

Water shooting from nozzles with rocket force spins 16-ton water wheels like toy tops in P. G. and E. powerhouses ... but not a drop is wasted—it's put to work again and again.

Five different times, for example, water is borrowed from the Mokelumne River and sent rushing through penstocks (giant steel pipes) to whirl the generators. Then it's sent back on its way to municipal water supplies and farmer's irrigation ditches.

Here's a quick picture of the Mokelumne's 5 powerhouses. The top four—Salt Springs, Tiger Creek, West Point and Electra—are P. G. and E. plants. They will soon have a total capacity of 250,000 electrical horsepower—enough to serve the cities of Oakland, Stockton and Tracy.

Newest of the group is the big 133,000 horsepower Electra plant shown here in the final stages of construction. It will come on the line this month, bringing still more new power to serve growing California.

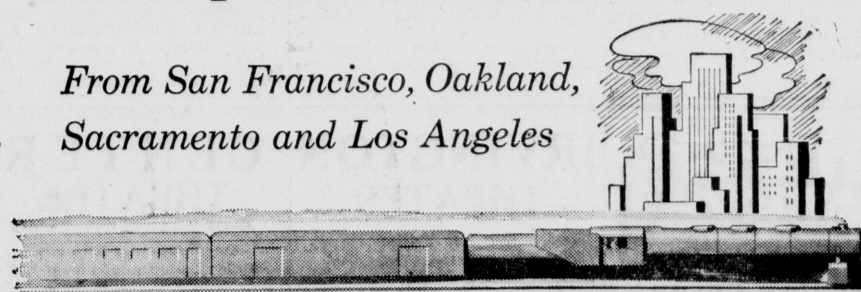

P. G. and E.'s water storage helps supply irrigation needs along the Mokelumne.
New Electra replaces one of California's earliest hydro plants...in continuous service since 1902.
The Mokelumne project is just part of America's largest interconnected power system.

INJURED IN FALL

Mrs. Florence Coil, formerly of the Durham road and mother of Kenneth Coil, fell last week, due to a heart attack, in Hayward and sustained a fractured wrist.

VISITS HERE

Father Thomas Gabisch of Benecia, former priest at St. Mary of the Palms, was a Mission visitor one day last week, here at the Dominican Convent.

RETURN TO RESIDE

Welcome back to California. Mr. and Mrs. David Smith and one-year-old son, David Jr., have returned to the home of Mrs. Smith's parents, Mr. and Mrs. Albert Brown of Durham road. She will be remembered as Miss Evelyn Brown. She left two years ago to go to Donora, Pennsylvania, to marry her husband, then in the Navy, and this is their first trip home since. They are going to live here permanently and both have secured jobs, he at the Occidental in Irvington and she in San Jose. Grandmother Brown will care for David.

NEW RESIDENTS

William and Mabel Hand, formerly of Los Gatos, are now living in the Mission at the old T. D. Witherly Ranch. He is foreman for Mr. Huddleston of Oakland who recently purchased the ranch.

SOUND SLEEPERS

Early Saturday morning, five o'clock to be exact, there were excited voices heard and soon the buzzer at the firehouse was going. Some early risers who were on their way south to spend the three-day holiday were forced to stop because their brakes were on fire. It was extinguished easily after burning most of a brand new brake job off. Then Sunday afternoon another one on Escobar Hill was extinguished. Seems like a lot of folks were having brake fire trouble. Oh yes, by the way, it seems that the firemen or the commissioners had better get an alarm instead of a buzzer at the fire house for even those right across the street cannot hear the buzzer when it rings, so why not get a siren system instead of that buzzer. We might be sorry sometime if you don't.

HOLIDAY TRIP

Some others enjoying a four-day holiday over the 4th were Mr. and Mrs. Joe Reis and daughter, Joanne; Mr. and Mrs. Tony Reis and daughter, Jerry, of Irvington; and Joe and Jay Souza of the Mission. All motored to Yosemite with camping equipment and had four wonderful days of pleasure. Mrs. Alois Schneider and daughters, Cecelia and Rose Mary, and son, Charles also were in the Valley for a few days.

buy, borrow, rent or steal, some where here in the Mission, for he is our new principal at the Grammar School, and they wish to make their home here in town so he can be near to help all the young folks in the outdoor fun and other athletic activities. They are originally from Wenatchee, Washington, and he was teaching school at Alvarado when he became principal here. He is a former navy man and he and the board of trustees have been in a huddle hoping to make some ground changes at the Mission school before the school term begins. Has any one a place?

BIRTHDAY PARTY

The home of Mr. and Mrs. Tom Cunha was a gay place on Saturday evening when a houseful of guests arrived to make merry and wish Miss Shirley Cunha another year of happiness on her 13th birthday. After dark the younger folks had fun celebrating the Fourth by shooting off a lot of firecrackers. There were games and card playing for all and refreshments of cake and sandwiches and coffee followed the opening of her many lovely presents.

SERIOUSLY INJURED

Friends of Mr. and Mrs. Roy Boggini of San Jose, son of Grandmother Boggini of the Mission, were shocked to learn that their son, Donald, aged 16, had been severely hurt while playing baseball on Saturday. He was struck behind the ear with a ball and taken to the hospital where he was x-rayed and found to be suffering from a blood clot on the brain. Immediate surgery was performed and last reports were that he had regained consciousness and was able to answer questions but was still in a very serious condition. It will be a few days before he can be pronounced out of danger.

REV. GROVES RETURNS FOR FINAL SERVICE

Rev. Edward Groves, former vicar, will conduct morning prayer service and preach at St. James' Church, Centerville, at the 11 a.m. service Sunday.

This will be the last service in this diocese for Rev. Groves as he is leaving on July 15 to begin his new duties as canon of St. Michael's Cathedral at Boise, Idaho.

DR. ROYCE TO 'PINCH-HIT' FOR DR. BUEHLER

Following an operation performed Thursday, Dr. Lyle Buehler of Niles will take a long-earned rest and vacation, of five or six weeks. He will be in the hospital for a week, and will spend the remainder of the time convalescing and resting.

During his absence from his office, Dr. B. F. Royce, a graduate of the University of Oregon Medical School, who has spent four years in hospitals in Alameda county, will take over Dr. Buehler's practice.
